Computer banana,Security lagna,High Available banana ye sabh kaam ko saste ,sunadr & tikau dhag se chalane ka kaam cloud infra engineer ka hai.

Pahle Computer me jana padega...aur Computer chanala aana chahiye

Windows

More than 30% used windows in production

Linux

More than 70% Linux used in production

Mac os

Mac Costly hai..isliye use nhi hota

What is os?What is linux...how to use linux computer?
